

Minnesota Health Care Programs (MHCP) Enteral/Nutritional Authorization Form

ASSIGNED NUMBER FROM MN-ITS

Use this form in addition to the MN-ITS Authorization Request transaction or the Authorization Form (DHS-4695) to request authorization for enteral/nutritional products. Fax this form with any additional or required documentation to the [medical review agent](#).

Enteral/nutritional products require authorization after a one-time, 30-day supply. MHCP does not cover food thickeners (such as “Thick It”).

Dispensing Provider: Complete the Recipient Information and Dispensing Provider Information portions of this form to request authorization. Fax to prescribing provider to complete and sign medical necessity information. After the prescribing provider returns the completed form to you:

- If using the MN-ITS medical supply authorization request, enter the assigned number in the upper right corner of this form and fax this form to the medical review agent
- If using the paper Medical Authorization request form, fax this form and the Medical Authorization form to the medical review agent
